

**Roberto Tan**  
**President and CEO**  
**Philippine Deposit Insurance Corporation**

Roberto B. Tan was appointed President and Chief Executive Officer of the Philippine Deposit Insurance Corporation (PDIC) on February 3, 2017.

Prior to PDIC, Mr. Tan headed the Philippines' Bureau of the Treasury for two terms from 2008 to 2012 and from 2015 to 2017. As Treasurer of the Philippines, he directed the formulation of policies and execution of strategies on borrowing, fund investments and capital market development. He led several landmark international and local bond transactions for Financing and Liability Management which reduced funding costs, extended maturity profiles, deepened liquidity, and retired expensive / illiquid bonds. Mr. Tan's extensive experience in public finance comes from over 25 years with the Philippine Department of Finance. He joined the Department in 1991 as Director of the International Finance Group and rose to the rank of Undersecretary in 2005.

During his stint as Undersecretary of International Finance Group, Mr. Tan headed the strategy formulation and funds mobilization activities involving multilateral and bilateral institutions. He also led the formulation and representation of departmental positions on international finance policy and negotiations.

Mr. Tan served as an Alternate Member of the Board of several government agencies including the Monetary Board of the Bangko Sentral ng Pilipinas, and various Government Financial Institutions and Infrastructure Corporations.

At present, as part of his appointment as President of PDIC and concurrent Vice Chairman of the PDIC Board of Directors, he is also a member of the Board Risk Management Committee and Board Governance Committee.

Mr. Tan was Executive Director of The World Bank Group and Affiliates in Washington, D.C. in 2012 to 2015, and Advisor to the Executive Director of the Asian Development Bank Board in 1995 to 1998.

Mr. Tan earned his Master's degree in Economics from Fordham University, New York, USA where he also pursued doctorate studies in Economics (ABD). He also holds a Master's degree in Business Administration from the Ateneo de Manila University where he likewise received his Bachelor's degree in Economics.
