#### Expertise, Resources and Services

JODIC has the ability to provide capacity building expertise in *deposit insurance* for the following established competencies: adopting deposit insurance systems; public policy objectives; implementation; structure and design features; mandate; powers and structure; memberships and coverage; funding; transitioning into limited coverage schemes; and public awareness.

JODIC has the ability to offer *professional training* in the form of one-week workshops covering any selected area of established competency. Speakers and presenters are also available at training events hosted by others. JODIC also offers *expert consultation* in deposit insurance, including advising, critiquing, reviewing, evaluating, reporting and meeting on site with recipients.

#### Objectives, Priorities and Financing

JODIC priorities for capacity building emphasize adjacent or nearby countries and jurisdictions. Requests from other locations might be considered.

Parties requesting capacity building services are responsible for all travel and related expenses.

#### Requesting Capacity Building Services

Requests for capacity building services should specify all relevant information, including: type and purpose of the training or expert consultation; date and duration of the mission; and source of financing for mission expenses. Requests for capacity building services should be submitted at least 60 days in advance of the proposed mission.

Requests may be sent to the following principal contact.
