### 2. Important Information

You can check if you are eligible for a Kyrgyz Republic visa and find other information about the entry and stay regime for foreign citizens in the "Do I Need a Visa?" section.

After arriving in the Kyrgyz Republic, foreign citizens, except those from countries included in a specific list (the list of foreign countries indicating the terms for the exemption of foreign citizens and stateless persons arriving in the Kyrgyz Republic from registration at their place of stay with authorised state bodies, as well as in hotels), are required to register at their place of stay within 5 working days of entry.

You can make your online payment using a credit or debit card. There are no refunds in the event of e-visa rejection.
